

Virginia Wraparound Implementation Center (VWIC)

Year in Review: 10/1/21 - 9/30/22

Mission

We commit to promoting and supporting best practices, consistency, and quality assurance for Virginia's Wraparound workforce in order to increase positive outcomes for children, youth, and families.

Vision

The Commonwealth of Virginia will have a trained workforce that is committed to the High Fidelity Wraparound model. Through collaboration, the workforce will demonstrate investment in fidelity, sustainability and ongoing professional development in order to best serve the most at risk youth, their families, and communities.
